

OAPSB Update - FPAC

Big 12 Chairs

14 April 2015

Presentation by
Fred Kaustinen

FPAC Goals

1. Effective governance & oversight
2. Strategic use of resources
3. Shared commitments

FPAC Themes

- Forward-thinking policy direction with outcome-based performance measures
- A new Community Safety model with multi-disciplinary approaches and partnerships
- **Strengthened local governance and oversight**
- Sharing of services, infrastructure and resources
- Alternative service delivery while ensuring proper training and oversight.

OAPSB Governance Paper

- Reason: Public consent for policing
- Principles/success criteria:
 - Relevant responsibility and authority
 - Stewardship
 - Independence
 - Universality
 - Competent, supported and accountable
- Next steps: support, system design/legislation, change leadership

DM Torigian on Governance

7 April 2015

- 2 components: governance & accountability
- “The aim is to modernize and strengthen the civilian police governance system, to provide consistent, effective oversight and accountability, and to facilitate strong partnerships between police, municipalities and other service providers such as fire, health, education and social services.”

DM Torigian on Governance

7 April 2015

- 5 elements to consider:
 - Board governance environment
 - Roles & responsibilities, & distinctions
 - Board member skills, competencies & training
 - Board resources
 - Measuring & evaluating police service performance
